## REPORT OF MANAGEMENT

Management of Mobile World Investment Corporation ("the Company") is pleased to present its report and the separate financial statements of the Company for the for the year ended 31 December 2024.

### MANAGEMENT'S RESPONSIBILITY IN RESPECT OF THE SEPARATE FINANCIAL STATEMENTS

Management is responsible for the separate financial statements of the Company which give a true and fair view of the separate financial position of the Company and of the separate results of its operations and its separate cash flows for the period. In preparing those separate financial statements, management is required to:

- ▶ select suitable accounting policies and then apply them consistently;
- ▶ make judgements and estimates that are reasonable and prudent;
- ▶ state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the separate financial statements; and
- ▶ prepare the separate financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue its business.

Management is responsible for ensuring that proper accounting records are kept which disclose, with reasonable accuracy at any time, the separate financial position of the Company and to ensure that the accounting records comply with the applied accounting system. It is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Management confirmed that it has complied with the above requirements in preparing the accompanying separate financial statements.

### STATEMENT BY MANAGEMENT

Management does hereby state that, in its opinion, the accompanying separate financial statements give a true and fair view of the separate financial position of the Company as at 31 December 2024 and of the separate results of its operations and its separate cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements.

The Company has subsidiaries as disclosed in the separate financial statements. The Company prepared these separate financial statements to meet the prevailing requirements in relation to disclosure of information, specifically the Circular 96/2020/TT-BTC on disclosure of information on the securities market. In addition, as required by these regulations, the Company has also prepared the consolidated financial statements of the Company and its subsidiaries ("the Group") for the year ended 31 December 2024 dated 23 January 2025.

Users of the separate financial statements should read them together with the said consolidated financial statements in order to obtain full information on the consolidated financial position, the consolidated results of operations and the consolidated cash flows of the Company and its subsidiaries.

## **2. BASIS OF PREPARATION**

### **2.1 Purpose of preparing the separate financial statements**

The Company has subsidiaries as disclosed in Note 9.1. The Company prepared these separate financial statements to meet the prevailing requirements in relation to disclosure of information, specifically the Circular No. 96/2020/TT-BTC on disclosure of information on the securities market. In addition, as required by these regulations, the Company has also prepared the consolidated financial statements of the Company and its subsidiaries ("the Group") for the year ended 31 December 2024 dated 23 January 2025.

Users of the separate financial statements should read them together with the said consolidated financial statements in order to obtain full information on the consolidated financial position, the consolidated results of operations and the consolidated cash flows of the Company and its subsidiaries.

### **2.2 Accounting standards and system**

The separate financial statements of the Company expressed in Vietnam dong ("VND"), are prepared in accordance with the Vietnamese Enterprise Accounting System, Vietnamese Accounting Standards issued by the Ministry of Finance as per the:

- ▶ Decision No. 149/2001/QD-BTC dated 31 December 2001 on the Issuance and Promulgation of Four Vietnamese Accounting Standards (Series 1);
- ▶ Decision No. 165/2002/QD-BTC dated 31 December 2002 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 2);
- ▶ Decision No. 234/2003/QD-BTC dated 30 December 2003 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 3);
- ▶ Decision No. 12/2005/QD-BTC dated 15 February 2005 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 4); and
- ▶ Decision No. 100/2005/QD-BTC dated 28 December 2005 on the Issuance and Promulgation of Four Vietnamese Accounting Standards (Series 5).

Accordingly, the accompanying separate financial statements, including their utilisation are not designed for those who are not informed about Vietnam's accounting principles, procedures and practices and furthermore are not intended to present the separate financial position and separate results of operations and separate cash flows in accordance with accounting principles and practices generally accepted in countries other than Vietnam.

### **2.3 Applied accounting documentation system**

The Company's applied accounting documentation system is the Journal Voucher system.

### **2.4 Fiscal year**

The Company's fiscal year applicable for the preparation of its financial statements starts on 1 January and ends on 31 December.

### **2.5 Accounting currency**

The separate financial statements are prepared in VND which is also the Company's accounting currency.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)  
as at 31 December 2024 and for the year then ended

### **3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **3.1 Cash and cash equivalents**

Cash and cash equivalents comprise cash in banks and short-term, highly liquid bank deposits with an original maturity of not more than three months that are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value.

#### **3.2 Receivables**

Receivables are presented in the separate financial statements at the carrying amounts due from customers and other debtors, after provision for doubtful debts.

The provision for doubtful debts represents amounts of outstanding receivables at the balance sheet date which are doubtful of being recovered. Increases and decreases to the provision balance are recorded as general and administrative expense in the separate income statement.

#### **3.3 Borrowing costs**

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds and are recorded as expense during the year in which they are incurred.

#### **3.4 Investments**

##### *Investments in subsidiaries*

Investments in subsidiaries over which the Company has control are carried at cost.

Distributions from accumulated net profits of the subsidiaries arising subsequent to the date of acquisition are recognised in the separate income statement. Distributions from sources other than from such profits are considered a recovery of investment and are deducted to the cost of the investment.

##### *Provision for diminution in value investment*

Provision of the investment is made when there are reliable evidences of the diminution in value of those investments at the balance sheet date. Increases or decreases to the provision balance are recorded as finance expense in the separate income statement.

#### **3.5 Payables and accruals**

Payables and accruals are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Company.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)  
as at 31 December 2024 and for the year then ended

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### 3.6 *Foreign currency transactions*

Transactions in currencies other than the Company's reporting currency of VND are recorded at the actual transaction exchange rates at transaction dates which are determined as follows:

- Transactions resulting in liabilities are recorded at the selling exchange rates of the commercial banks designated for payment; and

At the end of the period, monetary balances denominated in foreign currencies are translated at the actual exchange rates at the balance sheet dates which are determined as follows:

- Monetary liabilities are translated at selling exchange rate of the commercial bank where the Company conducts transactions regularly.

All foreign exchange differences incurred are taken to the separate income statement.

#### 3.7 *Treasury shares*

Own equity instruments which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in profit or loss upon purchase, sale, issue or cancellation of the Company's own equity instruments.

#### 3.8 *Appropriation of net profits*

Net profit after tax (excluding negative goodwill arising from a bargain purchase) is available for appropriation to shareholders after approval in the annual general meeting, and after making appropriation to reserve funds in accordance with the Company's Charter and Vietnam's regulatory requirements.

The Company maintains the following reserve funds which are appropriated from the Company's net profit as proposed by the Board of Directors and subject to approval by shareholders at the annual general meeting.

##### *Bonus and welfare fund*

This fund is set aside for the purpose of pecuniary rewarding and encouraging, common benefits and improvement of the employees' benefits, and presented as a liability on the separate balance sheet.

#### 3.9 *Revenue recognition*

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, excluding trade discount, rebate and sales return. The following specific recognition criteria must also be met before revenue is recognised:

##### *Interest*

Revenue is recognised as the interest accrues (taking into account the effective yield on the asset) unless collectability is in doubt.

##### *Dividends*

Income is recognised when the Company's entitlement as an investor to receive the dividend is established.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)  
as at 31 December 2024 and for the year then ended

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### 3.10 Taxation

##### *Current income tax*

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted as at the separate balance sheet date.

Current income tax is charged or credited to the separate income statement, except when it relates to items recognised directly to equity, in which case the current income tax is also dealt with in equity.

Current income tax assets and liabilities are offset when there is a legally enforceable right for the Company to offset current tax assets against current tax liabilities and when the Company intends to settle its current tax assets and liabilities on a net basis.

##### *Deferred tax*

Deferred tax is provided using the liability method on temporary differences at the separate balance sheet date between the tax base of assets and liabilities and their carrying amount for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, carried forward unused tax credit and unused tax losses, to the extent that it is probable that taxable profit will be available against which deductible temporary differences, carried forward unused tax credit and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each separate balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Previously unrecognised deferred tax assets are re-assessed at each separate balance sheet date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the assets is realised or the liability is settled based on tax rates and tax laws that have been enacted at the separate balance sheet date.

Deferred income tax is charged or credited to the separate income statement, except when it relates to items recognised directly to equity, in which case the deferred tax is also dealt with in the equity account.

Deferred tax assets and liabilities are offset when there is a legally enforceable right for the Company to offset current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

**18. CORPORATE INCOME TAX**

The statutory corporate income tax ("CIT") rate applicable to the Company is 20% of taxable profits.

The Company's tax returns are subject to examination by the tax authorities. As the application of tax laws and regulations is susceptible to varying interpretations, amounts reported in the separate financial statements could change at a later date upon final determination by the tax authorities.

**18.1 CIT expense**

Reconciliation between CIT expense and the accounting profit before tax multiplied by CIT rate is presented below:

	<i>Current year</i>	<i>Previous year</i>
		<i>VND</i>
<b>Accounting (loss) profit before tax</b>	<b><u>2,628,301,752,407</u></b>	<b><u>(114,570,575,908)</u></b>

<b>CIT expense</b>	<b><u>-</u></b>	<b><u>-</u></b>

**18.2 Current tax**

The current tax payable is based on taxable profit for the year. The taxable profit of the Company for the year differs from the accounting profit as reported in the separate income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted at the balance sheet date.
