On October 3rd, **Thế Giới Di Động(TGDD)** cooperated with **Thanh Niên Newspaper** to launch the program “**Scholarship Sponsorship for Students 2025**”, aiming to support and motivate students with difficult circumstances, especially those affected by the Covid-19 pandemic.

The scholarship ceremony honored **41 students**, including 14 participants from the “Strength in Exam Season” program and 27 students from “Accompanying Children to Continue Their Education” by Thanh Nien Newspaper. This activity continues TGDD’s community responsibility journey, accompanying Vietnam’s young generation on the path of knowledge and self-development.

BACH HOA XANH HONORS “EFFICIENCY STARS” – RECOGNIZING OUTSTANDING DRIVERS

To encourage a safe and efficient driving spirit, **Bách Hóa Xanh** implemented the “**Efficiency Star**” program - recognizing truck drivers who perform outstandingly in the logistics system.

Evaluation criteria include: **safe and fuel-efficient driving, positive attitude**, and especially contributions to **reducing CO₂ emissions**. This is part of Bach Hoa Xanh’s ongoing effort to promote operational efficiency and environmental protection awareness among drivers.

MWG PEOPLE JOIN THE
“HAIR DONATION – SOWING HOPE” PROGRAM

Cancer not only takes away health but also causes psychological distress when patients lose their hair – an important factor in self-esteem and confidence.

With each hair donation, MWG employees spread love and encouragement to cancer patients. Find out more at:

ESG IMPLEMENTATION PROGRESS IN VIETNAM

According to **PwC Vietnam’s ESG Implementation Survey Report** (September 2025):

- **ESG commitment** is increasingly strong: **89%** of enterprises have made or plan to make ESG commitments within the next 2–4 years (up from 80% in 2022).
- **ESG execution rate: 54%** of enterprises have implemented ESG practices.
- The transition **from direction to action** is clear: **61%** of companies have integrated ESG into their core strategy, with **44%** having dedicated ESG teams.

These findings show that ESG is becoming an essential part of long-term strategy and sustainable development for Vietnamese enterprises.
