

In our ongoing efforts to promote ESG sustainability in the community, MWG collaborates with REshare to launch the Used Clothing Drop-off Station at the MWG Building.

WHAT DOES THE STATION COLLECT?

All reusable and non-reusable fashion items include:

- Footwear
- Clothes
- Bag
- Wallet
- Balo
- Hat

⊘ Items that are wet, excessively dirty, or have a strong odor are not accepted.

Scan the QR code for more details about the project.

THE GIOI DI DONG IS LISTED AMONG COMPANIES WITH TAX PAYMENTS EXCEEDING 1,000 BILLION VND

On the afternoon of December 31, 2024, at the conference reviewing the 2024 state budget revenue and expenditure and outlining financial and budgetary tasks for 2025, **The Gioi Di Dong was honored with a Certificate of Merit by the Chairman of the Ho Chi Minh City People’s Committee.** This recognition acknowledges the company's outstanding achievements in tax compliance and its contribution to the overall development of the national economy.

BACH HOA XANH ANNOUNCES THE QUALITY CONTROL PROCESS

At Bach Hoa Xanh, quality is not just a benchmark but a core part of our mission. By publishing this process, Bach Hoa Xanh commits to maintaining high standards at every stage to ensure customer health and satisfaction.

See details at: [Quality control process](#)

ESG HIGHLIGHT ACTIVITIES

Program Summary:
"Tet An Khang - Gui Ngan Binh An"

Signing the Program:
Tick Xanh Trach Nhiem

Program Summary:
"Tet of Sharing - Million Of Warm Meals"

Did you know ?

0,5
million tonnes
of microfibres

from washing synthetics are released in the ocean every year this accounts for **35% of primary microplastics released into the environment**

2.700
litres
of water

producing one cotton T-shirt requires an estimated amount of water that **could provide drinking water for one person for 2.5 years.**

10%
of global greenhouse
gas emissions

are caused by clothing and footwear production which is more than all international flights and maritime shipping combined
