PLASTIC FREE JULY

The Plastic Free July 2025 campaign spreads the message: “Small steps, big difference”.

Over the past 5 years, participants from more than 190 countries have helped reduce **10 billion kilograms of household plastic waste**, which contributes to cleaner oceans and healthier communities.

Everyone can take part by cutting down on **single-use plastics**:

- Use a reusable water bottle instead of plastic bottles
- Say no to plastic straws
- Replace plastic wrap with food containers or reusable wraps

CHOOSE TO REFUSE SINGLE-USE PLASTIC PLASTICFREEJULY.ORG

Across the globe more than 300 million people are taking the Plastic Free July challenge to create a world without plastic waste.

Our community is joining the challenge.

Together we can make a difference by simply choosing to refuse single-use plastic.

Yes, I will join the challenge!

- ✓ Switch plastic water bottles for refillables
- ✓ Skip the straw
- ✓ Choose to refuse disposable cups
- ✓ Keep single-use plastics out of our community
