

# MWG Recycles Banners and Posters Towards A Circular Economy

On December 5, MWG and Limloop - a social enterprise with a staff of mostly disabled people - signed a memorandum of understanding (MoU) to cooperate in implementing banners and posters recycling projects toward a Circular Economy.

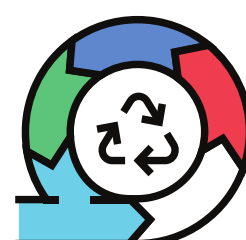

**Reduce the amount of waste released into the environment through "recycling" banners and posters.**

**Create jobs for disadvantaged members of society**

**Pioneer in actions to promote Circular Economy in Vietnam**
